

PROCESSING OF LUCIO "DON LUCIO" GUARINI AS CONDUCTED BY US  
ATTORNEY BEATRICE GRAY

MS. GRAY: Can you repeat for the record what we have discussed in private, Mr. Guarini?

MR. GUARINI: I, Lucio Guarini, agree to waive my right to remain silent and all other rights in exchange for immunity from prosecution for crimes related to my time as a participant in organized crime.

MS. GRAY: Do you understand that as part of this arrangement, you will be expected to provide reliable information on criminal organizations not only in New York City, but throughout the United States and abroad?

MR. GUARINI: I do.

I have an offer for you

I'm listening

As you know, I'm running for mayor.

I want you to take out my opponent.

I'm willing to reconsider your informant status in return.

Deal. I'll put my best guy on it.

Also don't text about crimes.
